

Critical Information Summary

NBN Fixed Line

Month to month agreement

Business Plans

From 7 September 2018

Information about the service

The National Broadband Network is a high-performance network, allowing super-fast connectivity between customers and providers.

Availability & Requirements

The service is only available within an NBN Fixed Line service area. Unless your premises are already connected, you will need to be connected to the NBN Network. Any cabling that is required in your premises beyond the network boundary point is your cost and responsibility. This service does not depend on a bundling arrangement with other services. You require a wireless router to use the service. You can purchase a wireless router from us for \$149 or you may purchase a wireless router from another retailer.

Minimum plan term

There is no minimum term.

Inclusions

Your Monthly Data Allowance is included in your plan. Any unused monthly data allowance expires at the end of your billing cycle. You may purchase data packs at an additional cost. Data packs expire at the end of your billing cycle. More information is available on myaccount.node1.com.au/login/.

This service includes a static IP address, high priority support, up to five email addresses and free Cisco IronPort spam filtering.

Exclusions

If you exceed your monthly data allowance in a month, your internet service will be slowed to 1mbps/1mbps for all usage for the rest of the month. You will not incur extra charges.

Information about pricing

Monthly charge

Your monthly charge is based off the plan you nominate. Please see the table below to view the monthly charge for your plan.

Termination

There are no termination fees for this service.

Other charges

For new NBN Fixed Line customers, a \$55 connection fee applies. This fee also applies when relocating the service to another address. If you're a new or existing Node1 customer, and would like a new wireless router you can purchase one from us for \$149.

Changing plans

To view the plans that you may switch to, login to your account. Your plan change will take effect at the start of the next billing cycle. Once your plan change has taken effect, you will receive a charge or credit to reflect this on your next bill. There is no fee for changing plans.

Billing

The figures in this Critical Information Summary are for a full billing cycle, however your first bill may include pro rata charges for part of a month. Our billing cycle is based on the calendar month. You will be billed on approximately the 4th of each month, for the next month in advance. Any additional charges incurred during the previous period, such as the addition of data packs or a plan change, will also be included on your next bill.
