Appointment of an Authorised Representative (optional)

When you appoint an Authorised Representative, you are giving the person you appoint the authority to deal with us on your behalf as your agent. This means that the Authorised Representative has the power to act and access information as if they were you. This includes making complaints, changing account details or cancelling a service. If you wish, you can specify limitations of your Authorised Representative's rights.

Service & plan options

Depending on your service area, you will either be eligible for a Fibre to the Node (FTTN), Fibre to the Building (FTTB), Fibre to the Premises (FTTP) or NBN HFC (Cable) internet service. To determine which NBN service you require, the graphic displays the NBN utility box you will have installed on the outside of your premises if in a FTTP or NBN Cable service area. If this NBN utility box has not been installed, you can assume you are in a FTTN or FTTB service area as this box is not required for those services.

Connection fee for all NBN Fibre services is \$55.

Plan	Monthly Data Allowance On Peak + Off Peak	Monthly Price	✓
25Mbps/10Mbps	Unlimited	\$79.95	<input type="checkbox"/>
50Mbps/20Mbps	Unlimited	\$89.95	<input type="checkbox"/>
100Mbps /40Mbps	Unlimited	\$109.95	<input type="checkbox"/>
250Mbps/100Mbps	250GB + Unlimited	\$139.95	<input type="checkbox"/>
	Unlimited	\$174.95	<input type="checkbox"/>
Up to 1Gbps/400Mbps	500GB + Unlimited	\$299.00	<input type="checkbox"/>
	1TB + Unlimited	\$329.00	<input type="checkbox"/>
	2TB + Unlimited	\$399.00	<input type="checkbox"/>
	Unlimited	\$499.00	<input type="checkbox"/>

If transferring from ADSL to FTTN

- BPAY®

Acknowledgement of Terms & Conditions

Please read the Standard Form of Agreement (SFOA) document available for download on our website <https://node1.com.au/information> before signing this declaration. This section acknowledges your acceptance of the Terms & Conditions within the SFOA, fees and charges, and confirms your order of the service.

By signing this form, I agree to abide by the Terms & Conditions within the SFOA of Node1 Internet. I understand the internet plan I am subscribing to, and the restrictions, limits, charges and other features of it. I also understand Node1 Internet relies on a third party installation company for the connection of services, and therefore cannot guarantee connection provisioning times. I confirm the information provided in this application is true and correct at the time of application.

To submit your application, you can either:

- post to Node1 Internet, PO Box 2778, Geraldton WA 6531
- email to info@node1.com.au

*If the battery backup service option is not selected, no NBN-based services, including telephone and data services, will work in the event of a power failure or if the power is switched off at, or disconnected from, the power point. The Battery Backup powers the NTD in the event of power failure or disconnection to support some services using certain types of telephones/devices for a limited period of time (a total of approximately 5 hours under typical conditions) provided they use supported ports. You should ensure you have alternative means (such as a mobile phone) to place emergency calls. Medical and/or security alarms may also be affected. You should discuss your needs and solutions with your alarm provider. Please also consider the needs of anyone who lives/works at the service address when making a decision regarding the battery backup service. If you require a battery backup service in the future, an appointment to install the Power Supply with Battery Backup can be arranged with Node1 Internet. For more information regarding NBN Battery Backup Service and information regarding replacing and recycling batteries, please visit: <http://www.nbnco.com.au/connect-home-or-business/already-connected/nbn-equipment/battery-back-up-service-information.html>
